Application No. 10/695,656

Neither Heren et al. nor Sparks et al. when viewed individual or together teach or suggest a irrigation system that permits the user to readily change the appearance of the irrigation system by manually attaching the cover to the frame as is done with the present invention.

In light of the preceding comments, it is submitted that the claims of the present application are not anticipated by or obvious when viewed in light of Heren et al. Reconsideration and withdrawal of this rejection are respectfully requested.

Conclusion

In view of the foregoing, it is submitted that this application is in condition for allowance. Favorable consideration and prompt allowance of the application are respectfully requested.

The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution.

Respectfully submitted,

Michael A. Bondi
